INDEPENDENCE DAY.

Our celebration was an unqualified success. The weather was hot and the crowd was very large, as was desired by the lemonade venders. Good order was maintained throughout the day, ushered in by the noisy anvils and cannon crackers. The Mansfield band furnished excellent music and led the parade of young ladies representing the States to the picnic ground near Steele's mill. Flags and bunting were everywhere and patriotism was at high tide. At the ground the class sang the Star Spangled Banner and Rev. Shaffer offered a prayer. A. J. Rudd read the Declaration of Independence and a quartette was sung. Next came G. C. Murrell who delivered the address of welcome. Another quartette followed, and Cleveland Newton made a patriotic address which was highly complimented. After dinner was eaten J. B. Puckett of Mansfield delivered a nice speech. The various amusements, Calithumpian parade, etc., came next and kept the crowd in good humor until the display of fire-works at night, which was very fine and pleased the crowd immensely. Altogether the day was pleasantly spent by all.

John Thornhill and Ellen Robson of Worsham.

E. C. Henson and Mary Brower of Mansfield.

Dr. F. B. Fuson, who was nominated by acclamation for Representative by the Republican convention last Saturday, is an excellent selection, the best for the place, in our opinion, that could have been made. He is a native of Illinois but since boyhood has resided continuously in Wright County. He worked on a farm some years, but graduated in a medical college in 1886, and has since practiced medicine and surgery at Mansfield with distinguished success. As an influential member of the U. S. Pension Board, he has rendered important services to the Union Veterans for a number of years, and is, deservedly, popular with the old soldiers. He was urged to make the race for representative in 1898 but declined, and only consented to run this time after much urging. Dr. Fuson is a strong man, and will make a most useful member of the legislature if he succeeds to the position, and his chances are very good.

Evans, candidate for the office of Prosecuting Attorney, an honor to which he was unanimously elected by the Republican County Convention of Wright County. Mr. Evans, now a successful lawyer of Mt. Grove, Mo., about 34 years of age, is a native of the State of Indiana. His parents removed, in 1868, to Christian County, Ill., where Charley grew to manhood. He studied law, and, later, practiced law for several years in the office of Ricks & Creighton, a prominent law-firm in Taylorville, Ill. He was admitted to the bar by the Appellate Court at Springfield, and on June 19, 1893, was licensed by the Supreme Court to practice law in all the courts in the State of Illinois. He was admitted to the bar in Wright county by the Circuit Court in 1894, directly after he settled in this county. Mr. Evans is an able lawyer and an excellent citizen. MARRIED

From Monday's Leader-Democrat:

On yesterday morning Mr. L. A. Findley of Hartville and Mrs. Frank F. Bennett of this city were married by Rev. Harvey Jones at the parsonage. Notwithstanding the contracting parties are well known, the event was kept so quiet that only a few friends were present. Mrs. Fannie Bennett, the bride, is a beautiful and talented lady who has been employed by George Pepperdine, the well known attorney, for the past three years as stenographer. L. A. Findley, the groom, is a highly respected young business man and capitalist of Wright county, this state. Their future home will be at Hartville, where Mr. Findley has a large mercantile establishment in addition to farming and banking interests.

Life in the Ozarks.

Springfield Republican:

The transcendant glory of the Ozarks is its October days. They are a thing of beauty and a joy forever. One is inclined to believe that there is no climate that can vie with these fleeting, golden days in the Ozarks. There is an exhilaration in the air and a balm in the sky that just makes life seem to be worth living.

A Double Murder At Grandin.

West Plains Quill:—

J. M. Harmon of this city boarded the train at Grandin at 12-35 on Thursday (last week) to start home. Looking out, he saw two men quarreling outside—Marion Gunn, night watchman at the Grandin store, and Joe Farrow, the liveryman of that place. They were both Democrats and one of them was bemeaning the other for voting for a Republican. Gunn slipped up his sleeve as if to strike, when Farrow drew a revolver and fired three shots in rapid succession all of which took effect in the body of Gunn. Then Gunn drew a revolver and began firing. Farrow then fired two more shots both of which took effect. Gunn fired four shots, all of which took effect, the last piercing the brain of Farrow, and he fell dead. Then Gunn ceased to fire, and he too fell dead in about ten minutes.

They were both men of families—Gunn was about 50 years of age and Farrow 35.

It is reported that their meeting was broken up by a continuous disturbance by tough citizens. Such persons are kindly informed that, in our opinion, a monopoly in church privileges will not be tolerated by the powers that be in Wright county. One Christian congregation will be protected in its right of peaceable worship, the same as any other.

We visited Postmaster Hunter's new residence, Sunday; looked all over the place. Mr. Hunter is making a commodious and truly beautiful home. Each room, or suit of rooms has a particular style of finish. The Sitting Room is finished in Antique Oak, the Parlor and Vestibule in Mahogany, the Bed Rooms in Bird's-Eye Maple, the Kitchen, Pantry and Bath Room in Light Oak; and the Dining Room in Walnut. Mr. E. H. Fehr of Mt. Grove, formerly of Bushnell, Ill., is doing the interior finish work on Mr. Hunter's house. He is a fine workman—an artist in his line. His graining is superbly true to nature in every tint and timber, his grouping and composition harmoniously perfect. We have never inspected finer work.

A REVOLUTION IN BUTTER-MAKING.

We have had an opportunity in the last few weeks, to see and hear a great deal of the Pneumatic Churn and we believe it will make it possible for the farmer to compete with the dairymen. It makes nothing but high grade butter, removes all milk, and besides is a great labor-saver.

We never before saw a churn that would churn sweet milk and make hard butter, in from 4 to 10 minutes.

By this process the milk and butter are purified, and the keeping quality of the butter is greatly increased. It bears shipping perfectly, and instead of becoming stale and rancid, it arrives at market fresh and sweet.

We have purchased one of these churns, and can heartily recommend it to all butter-makers.

Do Ghosts Haunt Swamps?

No, Never. Its foolish to fear a fancied evil, when there are real and deadly perils to guard against in swamps and marshes, bayous, and lowlands. These are the malaria germs that cause ague, chills and fever, weakness, aches in the bones and muscles and may induce deadly typhoid But Electric Bitters destroys and casts out these vicious germs from the blood. "Three bottles drove all the malaria from my system," wrote Wm. Fretwell, of Lucama, N. C., "and I've had fine health ever since" Use this safe, sure remedy, only 50c at A. J. Farmer's. drug store.

Prof. Appleby returned Sunday from Springfield where he spent the holidays. Mrs Appleby is visiting her sister Mrs. Hackney of Joplin, who is very sick.

Oct. 27, 1911 R

A HAPPY MARRIAGE.

Mosier McIntosh Again Fords the Rubicon.

On last Wednesday afternoon Mosier McIntosh, a ripe old octogenarian, led a blushing widow to Judge Freeman's office where the happy twain were soon made one. The bride was Mrs. Mary Forrest who has been well and favorably known in Wright County for more than a half century.

The happy groom is a well preserved old soldier and it is probable that no better man ever wore the blue or faced the shot and shell for his country with better nerves than did this same Mosier McIntosh. He served all through the late war and can to-day show many old wounds. As a private in the regiment of the late Governor Phelps in the terrible battle of Pea Ridge the company to which McIntosh belonged went into the fight full and when the lead flew the thickest all the line officers were killed then the sergeants and when the lines began to waves McIntosh assumed command and rallying the wavering company led it onward to victory.

Pages might be filled with the heroic and valorous deeds of this old soldier. To-day he is a fine specimen of physical manhood, being a large, robust old gentleman. He is in comfortable circumstances; has a fairly good farm, but was without a house-keeper.

The Republican extends hearty congratulations.

Jan. 17, 1913 R

The following marraige licenses have been issued by Recorder of Deeds Robt. F. Adams since our last report.

Arthur McGowan, of Mountain Grove, and Bertha Lovey, of Dawson.

Noah Gimlin and Julia Rippee, both of Hartville.

Logan H. Leach and Maudie Cooper, both of Prior.

Edward F. McCasky, of West Plains, and Emma Caudle, of Norwood.

Bert Royston and Alta Denton, both of Mansfield.

Logan H. Leach and Miss Maudie Cooper, of Prior, Douglas County, came to Hartville Monday to get married. They reached here about 8 o'clock in the evening and put up at the Kirk hotel. They called up Recorder Robt. Adams and asked him to come down to issue them a license. But Mrs. Adams had gone to lodge and left Bob to take care of the babies and he said he couldn't come down until she came home. It was about ten o'clock when Bob reached the hotel. The bride is very small and looks exceedingly young. Both bride and groom assured Mr. Adams that she was twenty-two years of age, but Bob was from Missouri and said he would have to be shown. Was there any one around Hartville who knew her age? No there wasn't. Chances looked mighty slim for a wedding that night. The couple were bewailing their fate, The bride wished they had gone to Ava after their license as Horace Curnutt, the Douglas County Recorder, was her cousin and knew her age. Bob told her he knew Horace and if he would vouch for her age he would issue the license. So he called up Horace at Ava and Horace said it was all right and Bob issued the license and Judge Freeman was routed out of bed and tied the knot and everything was lovely. Here's hoping the happy young couple will have less trouble staying married than they did getting married.

Caught Himself In the Act.

Prosecuting Attorney Curtis caught himself passing along the square during the recent rain, with an umbrella which kleptomaniac tendencies had evidently placed in his hand. The atrocity was not will ul, deliberate, nor committed with malice of aforethought. Neither was the peace and dignity of the State irretrievably menaced, still the gentleman would be relieved if the owner would kindly come and claim his property. The umbrella appears nearly new, having a large shepherds crook with tip ornament

Our Modern Girl.

We knock and critice her,
We scold, apostrophize her,
We wish that she were wiser,
More capable and kind.
Her path we're always stalking
To criticise her talking,
Her Clothes, her ways of walking,
Her manners and her mind.
We say, "Oh, highty- tightyl
She's frivolous and flighty,
And all her ways are mighty
Undignified to see;
She dances and she chatters,
Our golden rule she shatters,
With unabated gleel"
We chide and we correct her,
We shadow and detect her,
We study and dissect her,
With all her smiles and tears,
And find, on looking o'er her
(And just learning to adore her),
She's just like girls befors her,
For twenty thousand years!

Last Sunday Henry Duncan north of town took unto himself a bride with whom he became acquainted at Ash Grove and Monday night his many friends visited his home with a charivari that awakened the slumberers for miles around and will long be remembered by the happy couple.

Richardson-Todd

On Wednesday evening of last week at the home of the groom on Cherry street occurred the marriage of two of Hartville's most popular young people, Mr. Alvah Richardson, Recorder of Deeds and Miss Docia Todd, daughter of A. J. Todd a prominent farmer who lives near Duncan.

About 40 guests including Mr. Richardson's Sunday School class were invited.

The room where the ceremony was performed was tastily decorated and the wedding march was rendered by Miss Ethel Richardson. The marriage was solemnized by Rev. W. H. Anderson followed by congratulations after which refreshments were served to the guests. The Republican joines the many friends of the happy young couple in wishing them smooth sailing on the sea of life.

Wright County Girl Married in Wyoming.

A happy courtship came to a close in the Neiber neighborhood last Sunday when Mr. Ernest Muller, a prosperous ranchman, was united in marriage to Miss Letta Carr, at the home of the bride's sister, Mrs. Elba Cogdill.

Just as the clock struck 12, noon Sunday, Rev. J. M. Jones pronounced the words that united this young couple for life. The cermony was of the simplest and the couple were unattended. Immediately after the ceremony the newlyweds took the southbound train for a short honeymoon trip. They returned on Tuesday forenoon and that night a bunch of their friends, who did not think the bushels of rice and old shoes they had bestowed on Sunday were enough, stormed the home and gave an oldfashioned charivari. In their honor. The groom did not make his appearance until after the tormenters had "smoked" him out.

Mrs. Moeller is a sister of Mrs. Elba Cogdill and the entire community, The Grit included, wish this industrious young couple a long and happy married life.—Colter Grit.

Golden Wedding

Mr. And Mrs. Wm. Fisher Celebrate Their Fiftieth Wedding Anniversary

On Monday of this week Mr. and Mrs. Wm. Fisher celebrated their golden wedding anniversary by giving an at home at their cozy country home on route 1. Some twenty-five or more relatives and friends were in attendance to enjoy their pleasant hospitality and to extend best wishes to the charming bride of fifty years and to congratulate the groom who has enjoyed for half century the faithfulness and helpfulness of one of the noblest of God's women.

At the noon hour a large table groaning with all the delacacies of the season was set before the company and all enjoyed to the fullest extent the carefully and skillfully prepared feast. Before the guests departed refreshments were served and several groups posed for photographs which were made by W. H. Allen of Hartville, who was in attendance.

Fifty years ago last Monday, Wm Fisher, then but a stripling, led Miss Cynthia Carney, one of Missouri's fairest daughters, to the altar of matrimony arranged in the parlor of her father's home in Macon county, Mo.

A half century have Mr. and Mrs. Fisher traveled hand-in-hand thru life. At times battling against the storms and again enjoying the fruits of success, but never for a moment did either forget to be solicitious for the others comfort.

cont.

Home has been home indeed for this couple just now passing the half century mark of wedded bliss. Entering upon their matrimonial venture at the close of the Civil war, they, Monday celebrated their 50th anniversary in the midst of a great world war, but in between the two naught but happiness has ever entered the Fisher home.

Mr. Fisher was born in the Empire State March 16, 1840, where he spent his early life. He enlisted in the army and made a valient soldier in defense of the stars and stripes. At the close of the war he with his parents left New York and settled in Macon county, Mo. where he met Mrs. Fisher, whose native state is Indiana, where she was born May 22, 1844.

The Fishers are blessed with five living children: 3 sons and 2 daughters. The sons, B. F., Chas. and Ben and one daughter, Mrs. Anna Boyer, all reside in this county. The other daughter, Mrs. Jack Young lives in Oklahoma. All the children and grandchildren, which numbers 13, were present except B. F. Fisher and family who live near Grove Spring.

The Fisher family came to this county in 1887 and during their stay among us their courtesy and kindness coupled with their rugged honesty have won them a large circle of friends. The old people are almost generous to a fault and appear never so happy as when sharing their worldly possessions with those less fortunately situated in life.

The writer joins their legion of friends in hoping their lives may be extended many more years and that their last days may be their best days for we feel sure they merit every kindness that can be bestowed upon them.

Nemesis

He married her because she cooked
Such steak as heart could wish,
But now without a protest brooked
She sternly feeds him fish.
Ram it down,
Cram it down,
Damn it down,
She feeds him fish!

He spliced with her cause she made
Light biscuits every morn,
But now as patriotic aid
She grimly feeds him corn.
'Poke it down,
Choke it down,
Stoke it down,
She feeds him corn!

He wedded her because he sighed
For grub like other chaps,
But now he finds his dream denied,
She darkly feeds him scraps.
Crush it down,
Rush it down,
Sqush it down,
She feeds him scraps!

A wedding of little more than ordinary interest occured at the Court House Saturday, when J. S. Newman of Mountain Home, Ark., and Miss Mav Evelyn Jordon of Strafford. Their daughter Miss Bertha and son Robert had persuaded them to spend the day with Mr. and Mrs. J. B. Rippee. The following persons with their families were present J. D Jones, Jerry Oliver, B. W. Hensley, F. A. Rippee, W. P. Randolph, F. M. Branstetter, W C. Pryor, Simon Benton, Noah Jones, J. S. "Jane," said her father, "how does it happen that I find four good cigars on the mantelpiece this morning? Did Henry leave them for me?"

"No; he took them out of his vest pocket to avoid breaking them last night, and I guess he forgot all about them afterwards."

Positively Rude!

Because she wanted everybody else to know as well as she knew that she had small feet the woman who had offered to lend rubbers to a friend, added apologetically: "But they are so big I don't suppose you can keep them on."

"Oh, I guess I can," said the friend serenely. "I have big feet, too."

Since then the woman with small feet has refused to see her friend, even when she brought the rubbers home.

There was quite a surprise ran over the neighborhood when the news broke out that Elzie Owens and Miss Opal Fry were married. They were married at Hartville and were accompanied by Alvin Long and Miss Clarabell Fry. They then returned to the bride's home for the wedding dinner. Those present were the grooms parents, Mr. and Mrs. Owens and family, Mr. and Mrs. Chas. Fry and Misses Ruby Deckard and Sybil Cady. They enjoyed the evening with much pleasure and went to the groom's home Sunday where they enjoyed the intair and dinner with many friends.—Mansfield Mirror.

Miss Vernia Mingus and J. Reese Deckard were united in marriage Sunday at the home of the bride's parents, Rev. and Mrs. J. P. Mingus. The bride is one of Wright County's foremost teachers and an estimable young lady. Mr. Deckard is a prosperous farmer of the Duncan neighborhood and was for four years county collector.

Immediately after the ceremony Mr. and Mrs. Deckard left for a short wedding journey after which they will return and make their home on Mr. Deckard's farm.

The beautiful country home of Albert Latimer and wife was the scene of a very pretty wedding Sunday December 28, at high noon, when their youngest daughter, Ruby C. was united in marriage to Berlin F. Coday. The solemn words, which united these two young lives, were said by Rev. T. B. Ritzinger, pastor of the Mansfield Baptist church, in the presence of the family and a few friends. At the conclusion of the marriage ceremony the usual congratulations were extended and the bride and groom led the way to the dining room where a bountiful four-course luncheon was served, which for delicacy, variety and abundance, was worthy the hospitable hostess who prepared it. Both of these young people are residents of this county and have many friends here. The groom is the son of Thomas Coday and wife and is a young man of bright promise, full of business energy and honest purpose. He has chosen for his bride a most charming and accomplished young woman, one who will make him an ideal life companion For the present they will make their home in Springfield. We wish for them a long and happy life.—"Mirror."

Miss Berniece Ellis, daughter of Dr. and Mrs. Frank B. Ellis of this city, and Dr. Lee R. Farmer of Kansas City, Mo., were married in that city on May 16, 1920, but the marriage was kept a secret until last Sunday when Mrs. Farmer informed her parents of it.

Mrs. Farmer needs no introduction to Garden City folks as she is one of this ciyt's most favorite daughters. She just graduated from the Kansas City Conservatory of Music with as high honors as any graduate of that institution has ever received. A few weeks ago she made a great hit in a piano recital at the Baptist Church in this city and all her friends and even her parents had the idea she would teach music at least a few months before taking unto herself a husband. She was married at the time of the recital but she and the Dr. certainly kept the secret well.

Dr. Farmer is a brilliant young physician of Kansas City with offices at 622 South Boulevard. He is a graduate of the Saint Louis Medical College. His professional career is very promising. We, of Garden City can all say that he won a lady who would be worthy of any man.

They will make their home at 3519 Smart, Kansas City, Mo.—Garden City Views.

Mr. and Mrs. Walter Hendon of Schell City, are here visiting Mrs. Hendon's parents, M. Mott and family.

Surprise Wedding

J. N. Cantrell and wife and Miss Crissie Young and Everet Claxton started to motor to Springfield Tuesday of last week in Mr. Cantrell's Hudson Super Six. While near Fair View fire was discovered on the engine and there was a small explosion. They left the car which was soon consumed by the flames. It is hoped the entire machine is not a loss. What was left of the car was taken to Marshfield and a conveyance was secured to take the party on to Springfield where Miss Crissie and Mr. Claxton were married. Truly an exciting trip.
